2020 Levitation Reserve Syrah

Columbia Valley AVA, Washington

Drinking Window: 2024-2030

The 2020 Levitation Reserve, a varietal Syrah, lifts from the glass with a perfumed mix of dried violets, roses, black currants and a hint of sweet smoke. It's silky and round on the palate, with a burst of new-world fruit contrasted by old-world structure and salty mineral tones. Silty tannins mingle with grilled herbs and black raspberries, as the 2020 leaves the palate completely reset for another sweet and salty sip.

Eric Guido. Tasting Date: March 2023
