

Sleight of Hand Cellars
"The Psychedelic"
Syrah 2020

95

Showcasing a core of dark purple with a water rim, the 2020 Psychedelic explodes with aromas of black plum, grilled meat, cracked black peppercorn, cedary herbs, cacao nibs, purple flowers, and Spanish olives. The palate gifts a meaty texture, with additional components of dried mountain sage and black-peppered charcuterie. It's funky, interesting, and incredibly complex, and what I love about Syrahs from the Walla Walla Valley. Enjoy this one now with a heavy decant or over the

next decade.
