

2020 Renegade Wine Co. Cabernet Sauvignon  
Washington State

The Renegade Wine Co. is very excited to release our 2020 Cabernet Sauvignon. It certainly drinks like a Washington State Cabernet, with lots of red and black fruits, scents of loamy minerality, and fine-grained tannins that are matched with balanced acidity. Like all the Renegade wines, this drinks as well as something twice as expensive. This is certainly a candidate to buy by the case! Don't hesitate, be a Renegade!
