

## 2022 Renegade Wine Co. Rosé Columbia Valley AVA

The 2022 Renegade Rosé is a classic blend of 34% Grenache, 33% Syrah, and 33% Mourvèdre. Like our entire lineup of Renegade wines, the focus is on the fruit! It has layers of red fruits like strawberries, cherries, and pomegranates, along with citrus and peaches. The wine is layered with minerality, and balanced with fresh, crisp acidity. This mouthwatering rosé will delight all four seasons and is a perfect pairing for outdoor BBQ's and picnic's as well as on your dinner table. As always, it is best enjoyed with those you love the most! There is a reason that the Renegade Rose' has been named the Best Rose' in Washington State by Seattle Met Magazine on several occasions! This one is no different! Buy it by the case!
