

**Sleight of Hand Cellars
2020 Funkadelic Syrah**

Walla Walla AVA, Washington

Drinking Window: 2025-2033

The 2020 Funkadelic traverses both savory and sweet, with roses and a dusting of exotic spice giving way to dried black cherries. Like pure silk on the palate, this impresses with a stimulating mix of zesty red fruits and liquid stone. Cumin and smoky herbs resonate toward the close. Sweet tannins linger, as wild berries and tangerine slowly fade. The Funkadelic is more refined and classic in feel than the Psychedelic tasted next to it, and with a spicy impression that stays with you.

Eric Guido. Tasting Date: March 2023
