Vinous - 96 Points

The 2021 Syrah Spiders From Mars is a veritable spice box, bursting from the glass with an array of incense, garrigue, black olives and red plums. Soft and supple on the palate, this comes across as savory, nearly salty in character. Sour citrus contrasts tart wild berry fruits that saturate. Inner violet and lavender tones resonate as tangerine and blackberry hints mingle with gently grippy tannins through the long yet remarkably fresh finale. This is 100% whole-cluster fermentation and all-neutral wood. Wow. While still needing time, the Spiders from Mars is off-the-charts delicious.
